

**INTERIM 2008 TEACHING AGREEMENT**  
**TWO-HOUR COURSE**

I, the undersigned, hereby acknowledge that my Interim 2008 course,

\_\_\_\_\_, \_\_\_\_\_  
(Course No.) (Course Title)

has been retained as an Interim 2008 course and will be offered during the final registration period ending May 12, 2008.

The undersigned understands that the salary for teaching a two-hour course will be the **lesser of** eighty-five percent (85%) of the in-state tuition (\$264./hr.) or 5.0% of the professor's academic year salary. A faculty member who wishes to teach a course with another faculty member should be advised that salary in this situation will be handled as Summer School salaries; that is, each professor will be paid a percentage of the salary which would be paid if the professor had taught the course alone. The percentage is dependent on the amount of the professor's involvement in the course. In no case should the total involvement of the professor be more than one hundred percent (100%). In no case shall compensation for teaching any 2-hour course exceed 5.0% of a professor's academic year salary.

The undersigned hereby agrees to teach

\_\_\_\_\_, \_\_\_\_\_  
(Course No.) (Course Title)

during Interim 2008 and accepts the above-mentioned terms of compensation for teaching said course. The undersigned further acknowledges having received a copy of Interim 2008 Guidelines and accepts the terms and conditions therein.
